## Family Guide

### **What Do Youth Want from Scouting?**

When a youth becomes a member of the Boy Scouts of America, one of his first questions is, "When do we go camping?" The Cub Scout program offers a variety of opportunities that include day camps, pack campouts, family camping, and Webelos overnights. Each of these experiences have a different dynamic that gives the youth, their friends and family an appreciation for the outdoors. Camping and outdoor activities fulfill a Scouts's dreams of fun, excitement, and adventure. Camps provide a natural setting for quality time with family and friends. Scout council camps with trained staffers provide an ideal setting for a wide variety of activities.

### **Who Can Attend?**

The whole family is invited to attend Cub Scout Family Camp. Anyone in the household may attend Family Camps hosted at Durland Scout Reservation if there is one registered Cub Scout in the family. Please register soon, space is limited.

### **How much does it Cost?**

Every effort is made to keep costs low while providing a safe, fun event for you and your family. The registration fees help purchase craft supplies, sporting good supplies, insurance, and incidentals to keep a camp open (like electricity, permits, equipment repair, etc.). Cub Scouts will receive an event patch as part of their fees. Most of the overhead costs of keeping Durland Scout Reservation operating is offset by Friends of Scouting and other donations. The base cost per Scout to attend camp is \$25, adults are \$5 and overnight family camping is \$15. Additional patches can be purchased for \$3. Pre-Order lunch available when you register (\$10/meal).
