**Exciting Crestwood News!! NEW Christmas
Lights for the Crestwood Tree!**

**All are welcome to ring in the season.
Spread the word!**

Big news!! Neighbors in Crestwood have hired an outside company to string the lights on the tree at the American Legion Plaza.

Many thanks to neighbors for spearheading, to the generous donors, and to Councilman Mike Breen and the Yonkers Parks Dept. for facilitating this exciting change.

While last year's ceremony was virtual, things are looking **BRIGHTER** this year as the ceremony resumes **in-person** AND with **NEWLY strung lights!**

Come ring in the Christmas season with a beautifully lit tree, songs, Santa, sips of hot chocolate, and candy canes!
